## SAMPLE QUESTION

INDUSTRIAL ETIQUETTE (QID: 03175)

Q: You need to reach an area which is too high for you to reach when standing on the floor. What action do you take?

A: Use the ladder which is allocated to you and ensure it is secure and stable before climbing it

B: Stack a couple of boxes on top of each other so you have something to stand on

C: Ask one of your colleagues to give you a lift
